From the President's Desk

Dear Parents,

Hello! How are you all?

Wish each and everyone a very happy and prosperous new year.

2014 was an exciting year for us. As many of you are aware, Little Angels International School is approved and accredited by Cambridge University Examinations as a Cambridge International School. We are following up with **a formal explanation of the same in early 2015**! Kindly do come and attend and listen to the world of opportunities that open up.

We are also releasing a press update on our accreditation and you may read all about it here: LAIS-Press-Release-2015

Meanwhile, you may also be interested in learning more about Cambridge University Examinations (both as a student or, as a parent) by visiting this link and downloading the pdf file: http://www.cie.org.uk/images/7882-cambridge-prospectus.pdf

Please visit this Government of Japan site (**文部科学省**): http://www.uni.international.mext.go.jp/ for more information about how our education helps your child prepare for entering prestigious universities even while studying in Japan.

Japan is globalizing fast and we at Little Angels are at the fore front in providing the best education for your children. This confirmation is in line with our belief and mission.

I must also mention that Little Angels International School was covered by TBS (Ch.6) earlier in December (17th) and we were well showcased in the program. In case you missed it, and, if you wish to see an abridged version of the same, please check this link to our FB page video:

As I have iterated many times before, as a part of the Little Angels family, your children's education is complete only when you - the parents are totally involved.

Once again, I take this opportunity to thank the children, the parents and the PTA for your sponsorship and support over the years. I also thank the teachers and our office and support staff who help to make all our learning outcomes become a reality.

Kindly do check out our Little Angels International School Facebook page for the latest pictures:
