

President's Desk

Dear Parents,

Hello!

It has been a warm winter but heading towards the cold soon. Please be careful and keep warm. Do take adequate measures and precautions against catching colds.

We have several exciting school events coming up soon starting with the Ski Trip, Marathon and the Project Day all in February. These will be fun filled and learning events!

During March, our wonderful students will graduate with pride and happiness. We wish the children all the best as they move onto the next step in learning.

We certainly hope to see many of the same children back on campus in April.

One further note, as you are all aware of the impending Consumption Tax rise as intimated by the Government of Japan and as per statutory practice, we are obliged to include this rise in our tax collection and these are reflected in our fees section. *Kindly note that there is no increase in fees whatsoever.*

Once again, I take this opportunity to thank the children, their parents and the PTA for your sponsorship and support over the years.

Rani.
