

The President's Desk

Dear Parents,

Hello!

We are now almost at the end of the third semester at Little Angels.

In March this year, we plan to have the last graduation ceremony for the Kindergarten students. After this event, all future graduations for Kindergarten or the School will be held in June/July every year.

We remain very excited about the many events about to begin. Our Year 9 students take the Secondary Checkpoint in April and they are working towards that goal.

Later, in April, we start our last semester for this academic year. However we have many events scheduled including our Project Day, Orientation Day and many others.

Kindly note that the LAIS Portal is currently under development but is scheduled to go live in the next semester.

Once again, on behalf of the school, I wish to express my gratitude to the PTA, the parents, the student body and the teachers for the wonderful support thus far and do keep encouraging us.

As you are already aware, the school's academic year has changed from September this year to August next year, to be in line with international education around the world. We are still open for admissions and as you are our ambassadors to the world, please let out the word.

Yet again, let me post a direct link to what Cambridge Certification means to you and your children/ wards, please do read this file: [CIE for Parents](#) (in pdf format).

For those interested in learning more about Cambridge University Examinations (as a student, or, as a parent) click on the [Pdf Link](#).

Kindly do check out our [Little Angels International School Facebook page](#) for the latest pictures.

Regards,

Rani
