

From the President's Desk...

Dear Parents/ Guardians,

Hello!

Little Angels has ended the Academic Year 2015-16 on a tremendous note.

I am extremely pleased to inform you all that the official results from Cambridge International Examinations for Checkpoint Secondary have been received along with the certificates of achievement and reports as well. Note that there are more than 10,000 Cambridge schools in over 160 countries worldwide and the scoring was carried out on a global level.

Our Year 9 students performed extremely well in Math, Science and English (the only three subjects tested). Congratulations to our Year 9 students for a truly wonderful performance. I also take this opportunity to thank our wonderful teaching staff for making this happen.

A few sample results: Mathematics 6.0/6.0, Scientific Inquiry 6.0/6.0, English Writing 5.2/ 6.0. [6.0 is the highest score possible].

For further information on this test and other related topics kindly visit: <http://www.cie.org.uk>.

LA Festival 2016 was held just a week before school ended for this term, and, it was filled with fun, food and games. The photos have been uploaded to our FB page. Do check them out please.

On July 8th, we had a lovely Graduation Ceremony for the Kindergarten which was well attended by the entire school students, the parents and friends. Apart from the graduation diplomas, several awards for excellence and achievements were given to the deserved students. It was a joyful moment for everyone.

Once again, on behalf of the school, I wish to express my gratitude to the PTA, the parents, the student body and the teachers for the wonderful support thus far and do keep encouraging us.

Our school's academic year has changed from September this year to August next year, to be in line with international education around the world. We are still open for admissions and as you are our ambassadors to the world, please let out the word.

Our Summer School starts on July 11th and we eagerly await your children to enter The Wonderful World. Summer Day Camp starts on Mon, August 15th and will be full of Fun N'Frolic. Come join us!

Kindly do check out our [Little Angels International School Facebook page](#) for the latest pictures.

Regards,

Rani

Addendum

Dear Parents / Guardians,

It is with great pleasure and pride that we announce our school's affiliation with the STEM education coalition.

As a leading STEM education stakeholder, Little Angels International School understands the value of a strong education in the Science, Technology, Engineering, and Mathematics (STEM) fields, with effective policies and practices that improve student performance in all the subjects, increase the diversity in these fields, thus ensuring a well-educated STEM workforce which is essential for the future.

For further information kindly see links at the end of this message:
