

The President's Desk

Dear Parents / Guardians,

Hello! Wish you all a very Happy New Year!

I hope all of you had a wonderful winter holiday? Do tell. Look forward to listening to your tales...

We ended our first term of our new Academic Year which started in September and we look forward to a new year filled with fun and learning.

We start our new term with plans for a lovely Ski trip, the Orientation Ceremony for prospective new entrants and our various academic activities.

You, the parents / guardians must be totally involved in your child's / ward's education to help foster a bright future for your child and we look forward to helping you succeed.

I wish to thank our teachers who have made our school an institution of excellence!

As a school, we need to increase our student strength and I request each and everyone of you to put in a positive word and spread our school's values in society. It really is something only you can do for us to help us grow further.

I take this opportunity to thank the children, their parents and the PTA for your sponsorship and support over the years.

Regards,

Rani.
