

The President's Desk

Dear Parents,

As I write this, I cannot but remember the past year... so many changes and so many things to do.... It was a very special year.

But I forget. Hello everyone! The cherry blossoms are so beautiful and I hope you all enjoyed viewing them?

We had separate graduation ceremonies this year - for Elementary School and for Kindergarten. The children have grown up so much and when I think of them, I have a lump in my throat!

Many of the graduating students are continuing with us and we look forward to the journey along with you. Together let us prove that Nothing is Impossible.

We have a [Facebook](#) link where you can see the pictures of our valedictorians and the entire graduating class!

Have a nice spring break and see you all soon.

As always, if you have any suggestions, kindly let us know. We always welcome your feedback.

Thank you once again for your kind patronage. Lets look forward to a great new academic year with many more fun filled activities which augments our focused and holistic learning.

With all best wishes,

Rani.
