

President's Desk January 2009

Dear Parents,

Hello again! Did you have fun during the winter vacation?

At the outset, **I wish you all a happy and prosperous year - 2009!**

People say that time flies and it's indeed true. We have already gone through two semesters of this academic year and over the course of time, you would have seen your children grow physically, mentally, and intellectually. Some of the children shall graduate this year after spending the formative years at Little Angels. While, it's great to see the children grow up so well, we will be sad to see them leave as well.

The second semester is always an action-packed time. Reflecting back, we went on a **fun** field trip to Tama Zoo, a **challenging** Sports Day, a very **spooky** Halloween party, a **delicious** Thanksgiving Party, and finally ended the year with a **merry** Christmas party in December. Thank you for all the support you have given us. All these events were successful primarily due to your willing support and hard work as well. We are looking forward to working together with you to make this semester a complete success.

During the 3rd semester, we will be enjoy the Project Day, Fine Arts Day, the class field trips, and the graduation ceremony. Kindly ensure that you mark these days in your diaries, so that you will not miss them. The children always enjoy the field trips. The Diamond Angels will visit the Fire Station, the Silver Angels will visit the Police Station, and the Golden Angels will visit the Railway Station. Please use all the opportunities you have to talk to your children about being community helpers. We will be talking to them about it too. As the Golden Angels will be moving on to Elementary School in April, we will be talking a lot to them about the importance of having a dream and working hard to achieve it.

I also take this opportunity to thank my teachers and the staff for their contributions and wish each of them and their families the very best in this new year.

I would like to end this message by saying simply: **ことしもよろしくおねがいます。**

Regards,

Rani 9th, January 2009
