

From the President's Desk

Dear Parents,

Wishing you all a Happy New Year. We have stepped into the year 2010. Times flies so fast. It seems just like yesterday when we stepped into the new millennium. Every year I am reminded that time is precious, and we need to make good use of the time we have.

First of all, I would like to thank all the students, parents, well wishers, and teachers for making the past semester a big success. The 2nd semester is always a busy semester with many 'big' events. The sports day was initially a wash out, but eventually turned out to be a great success. Thank you parents for making the costumes, and helping out with the parade for the Halloween Party. The Thanksgiving party was a delicious feast. Finally, the Christmas party was a 'gala' event to draw the curtains for a busy Semester. I want to especially thank the Elementary School PTA for planning the very first Little Angels Festival.

We are also moving into the last semester of the Academic year. The Golden Angels will be graduating in March, 2010. It is very encouraging and exciting to see the children grow. Many of our current students came to us while still wearing diapers and speaking just a few words. They will graduate as mature children, able to communicate their feelings, opinions, and ideas. I hope most of the Golden Angels will join the Elementary School, so that together we could build on the progress we have achieved in the four years preceding.

Starting in April, we are excited to sate that we shall commence with Grade Three. Towards this, we are preparing ourselves and we look forward to all the new challenges this will bring along with the fun and learning that shall accompany this new event.

Please do continue to support us during this semester as well. As I am so fond of saying, Little Angels is a success because of all your kind support and your hard work.

Thank You.

Rani.
