

## Presidents Desk August 2011

**Dear Parents,**

Hello everyone! Are you enjoying the summer?

The past few months have tested all of us sorely as we face the aftermath of the Earthquake and the effects of the Tsunami and the related problems this caused to the economy and the environment.

Earlier in July, Charlotte returned to Germany after a year long stay and we all miss her so much. She will start her new life at the University and we wish her the very best.

As you are aware, we overcame many of the issues and we continue to smile despite our hardships. I thank you all for your kind consideration and for bearing with us in these difficult times.

On a cheerful note, the summer-break, while a bit hot and humid would have given you all a great opportunity to be with the family and to enjoy nature and have fun in general. Trust you are all enjoying yourselves?

As a school, we have been showcased in TV Tokyo on account of our wonderful curriculum and more importantly due to the efforts of our teachers. I wish to extend a warm thanks to all my teachers and staff. You may check out the key message in the Media Coverage section.

Look forward to seeing you all in September. Thank you for your kind patronage. Lets look forward to a wonderful session full of events and fun filled activities.

With best wishes,

**Rani.**
