

President' Desk

Dear Parents,

Hope you are all enjoying the break with your children, friends and family?

The first semester was quite eventful with a barbeque party where we could share our food, thoughts and more. Thanks to you all!

We have some very good news to share with our students and their parents as well. After a long search, Little Angels was able to acquire a building in Mitaka ([Mitaka Main Campus](#) or [三鷹本校](#)) and we are happy to say that we own this building! We look forward to hosting many new events and to foster more children as well. The links have been updated on this website and you may check the access details and the campus location maps as well. We have renamed the current Mitaka campus to the [Mitaka Station Campus](#) ([三鷹駅校](#))

We request all our current students and parents to join us in the opening ceremony between 1 to 3 PM on Sep 1, 2012. The details will be sent out by email shortly.

Thank you once again for your kind patronage. Lets look forward to a great year with many more fun filled activities which augments our focused and holistic learning.

With all best wishes,

Rani.
