

From the President's Desk

Welcome to all!

Dear parents,

Welcome back to the new Academic Year!

We had a fantastic graduation ceremony for our Pre-School children and we held many exciting events which remain so firmly etched in our memories. We do miss our children already but we wish them good luck in their future and all good wishes for a very successful and happy life ahead. Some of them have joined the Elementary School and we are excited to teach them and to have them amongst us.

As you are already aware, we were covered by leading world media agencies such as [CNN](#), [NY Times](#) and even interviewed on the Australia Broadcasting Corp. Such favorable coverage is entirely due to the efforts of the teachers, staff and the support of the parents and we are indeed grateful for the same.

We are also pleased to state that our International Elementary School has started as planned in our new location in Kichijoji. This new venue also hosts the Pre-school children on the First floor.

We make due mention of the fact that we have several new teachers amongst us, Hazel, Maggie and Sandra and they are eagerly looking forward to teaching the children.

We have also enhanced our programs for returnees in the home schooling department and we hope to further education in depth. Please contact us for details.

Thanks once more for your continued support for our efforts. My teachers and I will continue to provide the best educational environment for your dear children. If you have any questions please do not hesitate to ask.

Best wishes and warm regards,

Rani
