

From the President's Desk...

Dear Parents,

Hello!

I wish to express my gratitude to the PTA, the parents, the student body and the teachers for the wonderful Festival event. It was a day with fun time for all.

We finished the semester and are into the summer break. It is getting increasingly hot this summer and I want you all to exercise caution when outside. Enjoy the summer break and have a great holiday.

We start on the most important change from September this year.

The school year has been shifted to be in line with international education around the world. We are open for admissions and do send the word out. We want you, our esteemed customers to spread the word around.

Once again, let me post a direct link to what Cambridge Certification means to you and your wards, please do read this file: [CIE for Parents](#) (in pdf format).

Meanwhile, you may also be interested in learning more about Cambridge University Examinations (both as a student or, as a parent) Click on the [Pdf Link](#)

As I have iterated many times before, as a part of the Little Angels family, your children's education is complete only when you – the parents are totally involved. This is more important now than ever!

I take this opportunity to thank the children, the parents and the PTA for your sponsorship and support over the years. I also thank the teachers and our office and support staff, all of whom help to make all our learning outcomes become a reality.

We have recreated and re-designed our website. Please check out <http://angelsenglish.com/> and give us your valuable comments and feedback.

Kindly do check out our [Little Angels International School Facebook page](#) for the latest pictures

Regards,

Rani.
