

## **The President's Desk...**

*Dear Parents,*

*Hello again. I wish each of you a very happy new year!*

*I hope you had a lovely vacation.*

*Welcome to the second semester of our academic year.*

*I am looking forward to making all the year-long events, a great success.*

*We start first, with our first trip to India for students of year 5&6. Then the ski trip and so on... There are plenty of events to make life interesting and challenging. Let's enjoy learning and having fun doing something stupendous.*

*See you all at school.*

*Have a great day!*

*Regards,*

*Rani.*
