

The President's Desk...

Dear Parents,

I wish to share some recent news and about our upcoming events.

Earlier in May, 2018, two of our students participated in the Track & Field Events held at Ajinomoto Stadium and did a great job despite lack of preparedness and the right equipment. We are indeed proud of their accomplishments and we look forward to doing this next year with lots of gusto.

Do wish Nikolas and Mayu, for their splendid efforts when you see or meet them next.

We are currently in the midst of our IGCSE examinations and the students are working hard and we wish them all success.

We have many interesting events coming up, including the Project Days and our annual LAIS Festival. We do want you help and your kind cooperation in ensuring the success of the same.

We are holding monthly Orientation for new students. Kindly spread the word and introduce our school to all. Your promotion and positive contribution will help us grow and ensure our school reaches lofty heights.

Have a great day and thanks in advance.

Regards,

Rani.
