

## **The President's Desk...**

Dear Parents,

Thank you for all the help and support during the academic year 2017-2018.

Thanks to the PTA for a wonderful Festival 2018!

You may have attended our last week's events where we had a Spelling Bee, Quiz Shows, Talent Shows and our grand finale – Graduation Day!

Congratulations to our Kindergarten graduates. All our KG graduates will continue Year 1 from Fall 2018. This shows your trust placed upon us. We heartily welcome them.

We had a very good Checkpoint result this year again! Both our Year 9 students have done well and we congratulate them. They will enter Year 10 in this fall.

Our Post-Secondary students have also graduated (it is the end of compulsory education) and we expect great results from IGCSE, which are expected on August 14, 2018. Karen, has been accepted at an American University in the Tokyo Campus. She is our first every student to enter University. We are proud of her accomplishments and we wish her the very best. Mayu shall continue to study for her A-Levels here at school.

We have proved our adage that Nothing is Impossible! Little Angels has successfully placed a student in University.

Kindly support our school further so that we may make a perceptible and outstanding impact on society. We are holding monthly Orientation for new students. Do spread the word and introduce our school to all. Your promotion and positive contribution will help us grow and ensure our school reaches lofty heights.

We shall welcome all the students in fall and look forward to that...

Have a great summer break and thanks in advance.

Regards,

**Rani.**
