

## The President's Desk

Dear Parents,

Hope your summer break is turning to be happy and relaxing.

As you may be aware, all our KG graduates have joined our School program and we heartily welcome them.

We are indeed happy to announce that our Day Care Center will open soon!

Owing to the great many requests received by our patrons and visitors, we happily announce that we are starting a Day Care Center (保育園) in Mitaka. The address is 1-3-2, Kamirenjaku, Mitaka-shi, Tokyo 181-0012, Japan (the location of our station campus)

We are currently in the process of getting the various government approvals necessary for the same.

A brand new building will be built at the above mentioned location and will cater to all families interested in advanced day care facilities with an added impetus upon learning and fostering social and academic skills. The new entity will likely commence operations from April 2019.

As notified earlier and owing to the plans to cater to the growing need of parents, we are moving all our current station campus students to the main campus which will be hereinafter referred to as Mitaka Campus. We have already made some changes and we will be ready to welcome our station campus students at the Mitaka Campus.

We expect your kind cooperation and do encourage help us by spreading the word about our newest venture to advance care for children.

As always, we follow our own motto: **Nothing Is Impossible.**

Kindly support our school further so that we may make a perceptible and outstanding impact on society. We are holding monthly Orientation for new students. Do spread the word and introduce our school to all. Your promotion and positive contribution will help us grow and ensure our school reaches lofty heights.

We shall welcome all the students in the fall and look forward to that...

Thanks in advance and warm regards,

**Rani.**
