

The President's Desk...

Dear Parents,

Hello.

We trust you are enjoying the winter holidays. Do keep yourself warm during the holidays.

Let me first wish you and your families a Merry Christmas and a very happy new year – 2019!

We had an event filled semester filled with various activities and plenty of learning opportunities. Our students shine under the most arduous circumstances such as the Outdoor Camping or senior students traveling to Hiroshima, but all the trips were memorable experiences. We ended 2018, with our annual Christmas Party and it was wonderful.

Our senior students have set out on the path towards higher level examinations which commence at the end of April and stretch until early June 2019. We wish them the very best in their endeavors.

As always, we follow our own motto: Nothing Is Impossible. We expect your children to also believe that...

We request you all to support our school further so that we may make a perceptible and outstanding impact on society. We are holding monthly Orientation for new students. Do spread the word and introduce our school to all. Your promotion and positive contribution will help us grow and ensure our school reaches lofty heights.

We shall welcome all the students in the New Year and look forward to that...

Thanks in advance and warm regards,

Rani.

20th December 2018.
